

ISMPOCON 2018, Jaipur - Abstracts

November 16 to 18, at Hotel Clarks Amer, Jaipur

P. No.	Name	City	Title	Institute
1	Dheeraj Chodavrapu	Mangalore	Correlation of HbA1c with solid organ tumours in Non diabetic individuals	Kasturba medical college, Mangalore
2	Taha Sethjiwala	Chennai	Adjuvant Short Course Trastuzumab In Breast Cancer	Cancer Institute Adyar, Chennai
3	A Praveen	Vizag	A prospective study of the usage of pain medication, cost, alternative medication use and outcome by cancer patients	HOMI BHABHA CANCER HOSPITAL & RESEARCH CENTER
4	Amar Ranjan	Delhi	Evaluation of serum level of Procalcitonin & Thrombopoietin in cases of gastrointestinal cancer	All India Institute of Medical Sciences, New Delhi
5	Rahul D Arora	Delhi	Survey on decision making in contemporary clinical practice of Palliative/supportive medicine	All India Institute of Medical Sciences, New Delhi
6	Rahul D Arora	Delhi	Acinetobacter urinary tract infection in a 14 year old with paroxysmal nocturnal haemoglobinuria with portal vein thrombosis and sideroblastic anaemia – a case report	All India Institute of Medical Sciences, New Delhi
7	Asif Mehraj	Srinagar	Predictors of Complete Pathological Response following Neoadjuvant Chemo Radiotherapy in Rectal Cancers: Indian Scenario	Sher i Kashmir Institute of Medical Sciences, Srinagar
8	Naresh Gundu	Delhi	Outcomes of advanced angiosarcoma/ hemangioendothelioma on propranolol based regimens from Sarcoma medical oncology clinic in North India	All India Institute of Medical Sciences, New Delhi
9	Jeetendar Paryani	Jabalpur	Triple Negative Breast Cancer : An Indian Experience	King George Medical University
10	B Sreekanth	Tirupati	Intracranial Germ cell tumor in 12 years Boy : Case Report	Sri Venkateshwara Institute of Medical Sciences, Tirupati
11	Ramya Uppuluri	Chennai	Disease free survival in paediatric malignant disorders with cost effective care after haploidentical stem cell transplantation with post-transplant cyclophosphamide: a single centre experience from south India	APOLLO HOSPITALS, CHENNAI
12	Amar Jain	Indore	Limb Salvage Surgery deploying Endoprosthesis for Bone Tumors	Sri Aurobindo Institute of Medical Sciences

ISMPOCON 2018, Jaipur - Abstracts

November 16 to 18, at Hotel Clarks Amer, Jaipur

P. No.	Name	City	Title	Institute
13	Somdutta Singha	Kolkata	Cardiac safety of Trastuzumab biosimilar in HER2NEU amplified breast cancer patients- An experience from Eastern India	Saroj Gupta cancer center & Research Institute
14	AVS Suresh	Hyderabad	Prospective observational study on the use of herbal adjunct to standard of care on the recovery pattern, quality of life and pain in patients with risk of mucositis, undergoing chemo-radiotherapy	Continental Hospitals
15	Sudipta Bandyopadhyay	Bengaluru	A Prospective Randomized study of oral metronomic chemotherapy in recurrent and or metastatic head and neck squamous cell carcinoma (HNSCC) failing systemic chemotherapy	Kidwai Cancer Institute
16	Kinjal Shah	Hyderabad	Negative impact of Vitamin D deficiency on outcomes in diffuse large B lymphoma - a prospective single-center experience	Basavatarakam Indo American cancer hospital
17	Kushal Gupta	Bengaluru	Outcomes of gemcitabine-docetaxel combination as second-line systemic chemotherapy in patients of recurrent or metastatic soft tissue sarcoma: a retrospective analysis	Tata Memorial Hospital Centre
18	Preethi A	Chennai	Sarcomatoid Carcinoma Of Lung- Rare But Dangerous Histology!- A Case Series	Madras Medical College
19	Vishnu Sreedath P	Chennai	An analysis of benign and malignant ovarian germ cell tumors- clinical and pathological features,treatment modalities,side effects,response and recurrence rates and prognostic factors	Madras Medical College
20	A Praveen	Vizag	A prospective study of the usage of pain medication, cost, alternative medication use and outcome by cancer patients	HOMI BHABHA CANCER HOSPITAL & RESEARCH CENTER
21	Vaishakhi Trivedi	Mumbai	Genomic landscape of papillary thyroid cancer	Tata Memorial Hospital, Mumbai
22	Dilip Harindran Vallathol	Mumbai	A Study Of Adherence To Oral Temozolamide Chemotherapy In Central Nervous System Tumors	Tata Memorial Hospital, Mumbai

ISMPOCON 2018, Jaipur - Abstracts

November 16 to 18, at Hotel Clarks Amer, Jaipur

P. No.	Name	City	Title	Institute
23	Baibaswata Nayak	Delhi	Circulatory microRNA as prognostic biomarker in hepatocellular carcinoma	All India Institute of Medical Sciences, New Delhi
24	Baibaswata Nayak	Delhi	Evaluation of HLA-G single nucleotide polymorphisms and expression in hepatocellular	All India Institute of Medical Sciences, New Delhi
25	Shrutika Kale	Mumbai	qRT-PCR as an Efficient and Reliable Diagnostic Screening Approach for the Detection of EML4-ALK Fusion Gene in NSCLC Samples: A Pilot Study	Tata Memorial Hospital, Mumbai
26	Vineet Agrawal	Kolkata	Delays in Chemotherapy are associated with poorer outcome in Acute Lymphoblastic Leukemia: A retrospective study of 149 patients with ALL from a tertiary care centre in South India	JIPMER, India
27	Vineet Agrawal	Kolkata	Maintenance Phase Eosinophilia is not predictive of outcome in Acute Lymphoblastic Leukemia	JIPMER, India
28	Shruti Kate	Mumbai	Outcome of uncommon epidermal growth factor receptor mutation positive newly diagnosed advanced non-small cell lung cancer patients: A single-centre retrospective analysis	Tata Memorial Hospital
29	Aanchal Kakkar	Delhi	Evaluation of human papilloma virus status and its correlation with mTOR signaling pathway activation in oropharyngeal squamous cell carcinomas	All India Institute of Medical Sciences, Delhi
30	P Nageswara Reddy	Hyderabad	Clinicohematological profile and outcomes in chronic myeloid leukemia with T315I mutation: An institutional experience	Nizam`s Institute of Medical Sciences
31	Annu Rajpurohit	Mumbai	Multidisciplinary Brain Metastasis Clinic: Is it effective and worthwhile.	Tata Memorial Hospital
32	Rohan kamlesh Tewani	Hyderabad	Immune checkpoint inhibitors in advanced cancers that have progressed on chemotherapy:A single institution study	BIACHRC, Hyderabad
33	Esha Jafa	Puducherry	Prognostic Impact Of Lymphocyte,Monocyte Count, Lymphocyte/Monocyte Ratio And Presence Or Absence Of Peritoneal Disease On Outcomes In Gastric Cancer Patients From A Tertiary Care Centre Of South India	JIPMER, Puducherry

ISMPOCON 2018, Jaipur - Abstracts

November 16 to 18, at Hotel Clarks Amer, Jaipur

P. No.	Name	City	Title	Institute
34	Jyothi M	Bengaluru	Pediatric Hodgkin Lymphoma:10-years Experience from a Regional Cancer Centre.	Kidwai Cancer Institute
35	Priti Agarwal	Mumbai	Clinical and Epidemiological profile of patients of Dermatofibrosarcoma protuberans (DFSP) presented to tertiary care centre.	Tata Memorial Hospital
36	Shashi Bansal	Jaipur	bcr-abl 1-/CSF-3R + MPN Two Cases: similar molecular profile but different diagnosis	Bhagwan Mahaveer Cancer Hospital and Research Centre, Jaipur
37	Venkatesh Tirumala	Bengaluru	A Retrospective Study Of Clinical Profile Treatment And Outcomes In Patients Diagnosed With Adrenocortical Carcinoma	Kidwai Cancer Institute
38	Mridul Malhotra	Mumbai	Antiemetic prophylaxis for temozolomide - Which is better?	Tata Memorial Hospital
39	Tamojit Chaudhuri	Bengaluru	Modified ECF regimen as first-line chemotherapy in metastatic gastric or gastroesophageal junction adenocarcinoma: A phase II study	Kidwai Cancer Institute
40	Gourav S Mantri	Ahmedabad	Clinical Profile and study of predictive factors of histological response to neo adjuvant chemotherapy in paediatric and adolescent osteosarcoma: a single institution experience	Gujrat Cancer And Research Institute , Ahmedabad
41	P Venkatasimha	Bengaluru	Clinical profile and outcomes of patients with Peripheral T cell lymphoma(NOS) : A study from tertiary cancer centre ,south India	Kidwai Cancer Institute ,Bengaluru
42	Arpit Jain	Jaipur	Recurrence Of Pancreatic Adenocarcinoma As Isolated Medisatinal Lymphadenopathy - A Very Rare Presentation	Bhagwan Mahaveer Cancer Hospital and Research Centre, Jaipur
43	Gaurav Tripathi	Rewa	RASopathy: Link between birth defects and Cancer	Shyam Shah Medical College, Rewa (M.P.)
44	Shuchita Pathak	Jaipur	A Prospective Randomized Controlled Study To Evaluate The Role Of Oral Glutamine In Chemoradiation Induced Oral Mucositis Among Carcinoma Oropharynx And Larynx Patients	Bhagwan Mahaveer Cancer Hospital and Research Centre, Jaipur

ISMPOCON 2018, Jaipur - Abstracts

November 16 to 18, at Hotel Clarks Amer, Jaipur

P. No.	Name	City	Title	Institute
45	Pratik Patil	Delhi	DOF Regimen for the Treatment of Metastatic Gastric Adenocarcinoma in Indian Patients – A Single Centre Experience	Max Super speciality Hospital, Shalimar Bagh
46	Rushit Shah	Ahmedabad	A prospective observational study to assess the survival rate of advanced colorectal cancer patients and to study the prognostic factors that influence survival at tertiary cancer centre from Western India.	Gujarat Cancer Research Institute, Ahmedabad
47	Akshay Shivchhand	Ahmedabad	Paediatric germ cell tumour: A single centre experience.	Gujarat Cancer Research Institute, Ahmedabad
48	Ruparna Khurana	Delhi	Role of PET-CT in predicting pathological complete response after pre-operative chemo-radiation in Carcinoma of Thoracic Esophagus: a prospective study from India	Rajiv Gandhi Cancer Institute & Research Center, New Delhi
49	Ruparna Khurana	Delhi	Carcinoma rectum in the young: Is there a difference in response to treatment	Rajiv Gandhi Cancer Institute & Research Center, New Delhi
50	Rakesh M P	Calicut	Sarcomas In Hematology: A Case Series	Madras Medical College
51	Anvesh Rathore	Kolkata	Clinicoepidemiological Correlation of BRCA 1 and 2 Mutations in Carcinoma Ovary - an Indian Perspective	Command Hospital, Kolkata
52	Jaykumar Maganlal Dadhani	Ahmedabad	To study the comparison of outcome of triplet drug TPF (paclitaxel, cisplatin and 5-flouro-uracil) vs. single day doublet chemotherapy as neoadjuvant chemotherapy in locally advanced head and neck squamous cell carcinoma (HNSCC) at tertiary care cancer centre from western India	Gujarat Cancer Research Institute, Ahmedabad
53	J K Pehalajani	Bengaluru	CML In Elderly: Does Age Matters	Kidwai Cancer Institute ,Bengaluru
54	Prabhat Ghanshyam Bhargav	Mumbai	Treatment practices for metastatic Renal Cell Carcinoma – can we deliver an appropriately efficacious and safe regimen in Indian patients?	Tata Memorial Hospital

ISMPOCON 2018, Jaipur - Abstracts

November 16 to 18, at Hotel Clarks Amer, Jaipur

P. No.	Name	City	Title	Institute
55	Anuj Gupta	Jaipur	A Randomized Controlled Study to Assess and Compare Ototoxicity of Carboplatin vs Cisplatin in Concurrent hemoradiation in Squamous Cell carcinomas of Head And Neck	BHAGWAN MAHAVEER CANCER HOSPITAL AND RESEARCH CENTER
56	Anuj Gupta	Jaipur	Giant Cell Tumor Of Mandible : A Rare Tumor	BHAGWAN MAHAVEER CANCER HOSPITAL AND RESEARCH CENTER
57	Sarita Shrivastva	Hyderabad	Anaplastic Lymphoma Kinase positive advanced NSCLC: An institutional experience	Nizam's Institute of Medical Sciences
58	Amit Sehwat	Rishikesh	Cancer associated Deep Venous Thrombosis in ambulatory solid malignancy patients: Experience from a Cancer Care Centre	Dharamshila Narayana Superspeciality Hospital , New Delhi
59	Vijai Simha	Mumbai	Demographic profile and outcome of Pregnancy associated breast cancer (PABC) patients in a tertiary care center in India	Tata Memorial Hospital
60	Vinita Jagtap	Mumbai	RAS Mutation in Cancer Risk Stratification: A Biomarker for Personalized Medicines	Tata Memorial Centre, Mumbai
61	Kushal Gupta	Mumbai	Outcomes of gemcitabine-docetaxel combination as second-line systemic chemotherapy in patients of advanced soft tissue sarcoma: a retrospective analysis	Tata Memorial Centre, Mumbai
62	Prathyusha Eaga	Mumbai	Demographics, pattern of care, and outcome analysis of malignant melanoma cases from a tertiary care centre in India	Tata Memorial Centre, Mumbai
63	Rajesh Patidar	Bengaluru	A prospective study to compare the pathological response and toxicity profile of doxorubicin and cisplatin (AP) regimen with doxorubicin, cisplatin and ifosfamide (IAP) regimen as neoadjuvant chemotherapy in localized high-grade osteosarcoma	Kidwai cancer institute
64	Kriti Sareen	Jaipur	USE OF 810nm DIODE LASERS IN MANAGEMENT OF ORAL PRECANCEROUS LESIONS	MAHATMA GANDHI MEDICAL UNIVERSITY,JAIPUR

ISMPOCON 2018, Jaipur - Abstracts

November 16 to 18, at Hotel Clarks Amer, Jaipur

P. No.	Name	City	Title	Institute
65	Pooja Gujjal Chebbi	Bengaluru	Clinicodemographic profile and treatment outcomes of pediatric Askin Rosai Tumor : Experience from a tertiary care oncology center	Kidwai Cancer Institute
66	Srikant Pennathur Sridharan	Bengaluru	Analysis of Solid Tumor Mutation Profiles in Liquid Biopsy	Strand Life Sciences
67	Ekta Parmar	Jaipur	EVALUATION OF THE EFFICACY OF INTRALESIONAL INJECTIONS OF CORTICOSTEROIDS AND HYALURONIDASE, ANTI-OXIDANTS, CURCUMIN AND LASERS IN THE MANAGEMENT OF ORAL SUMUCOUS FIBROSIS	MAHATMA GANDHI MEDICAL UNIVERSITY,JAIPUR
68	Amrita Aggarwal	Jaipur	EVALUATION OF THE DENTAL MANAGEMENT OF ORAL CANCER PATIENTS UNDERGOING RADIOTHERAPY	MAHATMA GANDHI MEDICAL UNIVERSITY,JAIPUR
69	Sharada Mailankody	Mumbai	Palliative intent chemotherapy in advanced Carcinoma Cervix at Cancer Institute, Chennai	Cancer Institute, Adyar
70	Chandrayee Sarker	Kolkata	Treatment outcomes of patients with Diffuse Large B-Cell Lymphoma: an audit	Tata Medical Center Kolkata, India
71	Alexia Eliades	USA	Clinical utility of plasma DNA profiling of cancer patients with solid tumors	NIPD Genetics Public Company Ltd,
72	Varsha Gandhi	USA	Testing lower doses of ibrutinib in patients with chronic lymphocytic leukemia	Anderson Cancer Center, Houston, Texas, USA.
